ALDERSON HOUSE

Alderson house is beautiful venue right in the heart of Warwick. This Grade II listed building was built at the end of the seventeenth century, and still possesses many of its original features.

This elegant venue boasts spacious yet intimate dining facilities in an oak panelled dining room. This is in addition to a beautiful room for marriage ceremonies and civil partnerships.

The House also includes an original galleried staircase with views over to Warwick Castle. This is enhanced by an elegant exterior with facilities for drinks receptions and a place for your guests to relax on the lawn (weather permitting).

One of the huge advantages of Alderson House is that it is small enough to have it all to yourself, whilst still being grand enough to suit the occasion.
